RESPONSIBLE BUSINESS ALLIANCE CODE OF CONDUCT

The Responsible Business Alliance (RBA), formerly the Electronic Industry Citizenship Coalition (EICC), Code of Conduct establishes standards to ensure that working conditions in the electronics industry, or industries in which electronics are a key component, and its supply chains are safe, that workers are treated with respect and dignity, and that business operations are environmentally responsible and conducted ethically.

本准则所指电子行业包含为生产电子产品而设计、营销、制造或提供商品和服务的所有组织。电子行业的任何一家企业都可以自愿采用本准则，并应用到其供应链和转包商中，包括合同劳工的提供方。

Considered as part of the electronics industry for purposes of this Code are all organizations that may design, market, manufacture, or provide goods and services that are used to produce electronic goods. The Code may be voluntarily adopted by any business in the electronics sector and subsequently applied by that business to its supply chain and subcontractors, including providers of contract labor.

要采用本准则并成为供应商（“供应商”），企业应声明其支持本准则，并积极按照本文所述管理体系与本准则及其标准保持一致。

To adopt the Code and become a supplier (“supplier”), a business shall declare its support for the Code and actively pursue conformance to the Code and its standards in accordance with a management system as herein.

Fundamental to adopting the Code is the understanding that a business, in all of its activities, must operate in full compliance with the laws, rules, and regulations of the countries in which it operates. The Code also encourages Suppliers to go beyond legal compliance, drawing upon internationally recognized standards, in order to advance social and environmental responsibility and business ethics. In no case can complying with the Code violate local laws. If, however, there are differing standards between the RBA Code and local law, the RBA defines conformance as meeting the strictest requirements. In alignment with the UN Guiding Principles on Business and Human Rights, the provisions in this Code are derived from and respect internationally recognized standards including the ILO Declaration on Fundamental Principles and Rights at Work and the UN Universal Declaration of Human Rights.

RBA 承诺在本行为准则的持续制定和执行过程中定期征求利益相关者的意见。

The RBA is committed to obtaining regular input from stakeholders in the continued development and implementation of the Code of Conduct.
